

AUTOMATIC BANK DRAFT

Save Time and Money Paying Your Bills!

With our Bank Draft Program, you can have your monthly water and any third party billing charges such as municipal sewer, garbage and fire protection bills paid automatically through your checking account. This saves you time and the expense of postage and envelopes. In addition, you will never have to worry about being late with your payment.

Here's How the Bank Draft Program Works! Each month, you will be sent a statement showing the amount of your bill. One day before the due date of your bill, your checking account will be drafted for the amount due on the bill. Your monthly statement will show the exact date your checking account will be drafted.

Signing Up is Easy! Simply complete the form below, attach a voided check, and return both documents to us. Because your account will require a zero balance for the program to begin, continue paying your bill until you receive a statement indicating your account is scheduled to be drafted.

Please complete and return this form along with a voided check to any local Louisiana Water Company customer service office nearest you or mail to the following address:

Louisiana Water Company
448 E. Main Street
New Iberia, LA 70560

If you have any questions about this program, please contact one of our Customer Service Representatives at the customer service office nearest you (Check the "Contact Us" section of the website, www.louisianawater.com, for contact information)

BANK DRAFT AUTHORIZATION

I authorize Louisiana Water Company to draw drafts from my checking account in payment of my water and any third party billing charges such as municipal sewer, garbage and fire protection bills. I agree that this authorization will remain in effect until such time as I notify Louisiana Water Company at least ten (10) days prior to the presentation of a draft.

Customer Name on Bill _____

Customer Account # _____
